# REACH Regulation

## REACH Regulation

As supplier of LED lighting systems and to respect the REACH Regulation 1907/2006/CE (Registration, Evaluation, Authorization of Chemical substances), EFFILUX has carried out an inventory of the substances used in the manufacture of its products.

Based on the declarations of our suppliers and to the best of our knowledge, we can hereby certify that these products (except those contained in Table A) do not contain any Substance of Very High Concern (SVHC) in amounts >0.1% (w/w) according to the SVHC-219 List of 15.12.2021.

Be sure that EFFILUX monitor the SVHC list and update the information to its customers. We are kept informed by our suppliers of any changes.

If necessary, we will inform our customers about the presence of these substances in our products.

## Table A

Gamme / Range	Size	Name of substances EC	CAS number	Localization of the substance
EFFI-FLEX-CPT	All sizes	Lead	7439-92-1	Connectors and metal one-touch fittings
		Octaméthyl-cyclotétrasiloxane	556-67-2	Silicone TSE397C
		Decaméthylcyclopentasiloxane	541-02-6	
		Dodecaméthylcyclohexasiloxane	540-97-6	
EFFI-FLEX-BL-CPT	All sizes	Lead	7439-92-1	Connectors and metal one-touch fittings
		Octaméthyl-cyclotétrasiloxane	556-67-2	Silicone TSE397C
		Decaméthylcyclopentasiloxane	541-02-6	
		Dodecaméthylcyclohexasiloxane	540-97-6	
EFFI-FLEX-HSI	Optical length 20 mm	Lead	7439-92-1	Connectors
EFFI-DIMMER	x	Lead	7439-92-1	Connectors
